By Car:
Canterbury has no street parking and is largely pedestrianised or difficult to negotiate. There are three Park and Ride options, Sturry Road, New Dover Road and Wincheap. Buses terminate at the bus station beside Fenwick. The nearest car parks to Fenwick are the multi- storey Whitefriars car park and the Watling Street car park, both accessible from Watling Street. For more information, charges and maps visit www.canterbury.gov.uk.

By Train:
The nearest station is Canterbury East with trains to London and Dover. It is a six minute walk to Fenwick, along the city walls, following signs for the cathedral. Canterbury West is a twenty minute walk but both stations have a good supply of taxis and taxi ranks can be found at the Bus Station and outside the Fenwick main door on Canterbury Lane.

Address:
The store is situated within the Whitefriars development bordered by St Georges Street and St Georges Lane/Bus Station.
